FROM THE COMMANDER

Tammy Neve

I would like to thank everyone who joined us on 5/23/2024 as the host location for the MACCI Business After 5 event. It was an extra special evening as MACCI allowed a special presentation to happen that night. Mayor Lois TeStrake read the official proclamation naming Marshfield a Purple Heart City that night. Marshfield became the 3rd city in the state of Wisconsin to receive this honor.

George Banda from the Military Order of the Purple Heart drove all the way from Milwaukee to deliver the keynote address and present a special plaque to the city of Marshfield. As George told the audience, "The Purple Heart is a medal that is revered by all veterans and civilians alike. It's a medal that nobody wants. You don't go out and try to earn it, believe me, but when you get it it's a special thing to have."

I am also very proud of something else that George said specifically about our Post. He said, "I am so impressed with this post. It is jaw dropping! When I came in the door and looked around, I'm going 'Oh my God!' And I've been to many posts throughout the state of Wisconsin and the country. This is like number one. I mean this is incredible! And that shows something about the support you have from the community, from people who want to support and fund things and then have the community support it and get everybody together to build something this beautiful, this is just wonderful!"

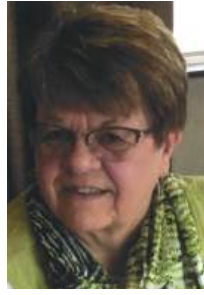

I, myself, am so proud of the veterans and citizens of Marshfield. Our post would not be where it is today without all the strong support with have had and continue to receive. I urge all of you reading my message to be equally as proud to be a part of American Legion Post 54 and of this community.

Don't forget about our 4th of July celebration this year. Rain or shine. We have 3 different entertainers starting at 1pm. We also have a cornhole tournament along with many food options available that day.

In August our Post 54 fair stand will be open at the Central Wisconsin State Fair. We have had some hard-working volunteers doing more updates to the stand as well. All the work they have put into it is impressive. Some more great improvements since last years updates. With that, don't forget to look at the volunteer schedule posted in this months Poop Sheet to see when you are scheduled to help..

FROM THE PRESIDENT

Diane Reigel

Happy Fourth of July to my Legion family!

Our year ended in June for purposes of the National American Legion Auxiliary. A big thank you to our past officers for the great job they have done this year. They have generously agreed to stay on until our December meeting.

We had a very successful Annual Spring Dinner this past May. Thank you to everyone who had any part of its success. It was overwhelming seeing all the bakery and raffle baskets we had. All the profits from this will go to the remodel of the women's bathroom at the post.

Our next project is the poppy distribution. It will be held October 11 and 12th. Please contact Donna Schreiner to volunteer your services. Her number is. 715-650-0003.

We sent a substantial donation to our Department President's special project from our Poppy fund. It is Dogs2DogTags. A very worthy cause that helps support dogs for veterans.

We still could accept nominations for our Quilt of Valor presentation in November. If you have a veteran who doesn't have one yet, please contact me. Then we will fill out an application and see if they are eligible. They need not be a Legion member.

Our August meeting is canceled, so the next meeting is October 7th. Please enjoy the summer "meeting free". Even though we have no meeting this summer, keep in mind you can volunteer to help the Legion anytime with their activities. One big one will be the fair stand. I always find it fun to see people that I hadn't seen in a long time at the fair.

See you around the club this summer,

President Diane Reigel
